Ooohh oh ooooh, oh oh oh ohhh
Ooohh oh ooooh, oh oh oh ohhh

[Verse 1]

It's a cruel, cruel world, to face on your own
A heavy cross, to carry alone
The lights are on, but everyone's gone
And it's cruel

[Verse 2]

It's a funny way, to make ends meet
When the lights are out on every street
It feels alright, but never complete
Without you

[Chorus]

I trust you, if it's already been done, undo it
It takes two, it's up to me and you, to prove it
All the rainy nights, even the coldest days
You're moments ago, but seconds away
The principal of nature, it's true but, it's a cruel world

Ooooh oooh oohh, ooh ooh oooh ooh, ooo wooah

[Verse 3]

We can play it safe, or play it cool
Follow the leader, or make up all the rules
Whatever you want, the choice is yours
So choose

[Chorus]

I checked you if it's already been done
Undo it
It takes two and it's up to me and you
To prove it

I trust you, it's already been done
Undo it
It takes two, it's up to me and you
To prove it

I checked you, if it's already been done
Undo it
It takes two and it's up to me and you
To prove it

I trust you
